

# KHA Service Award winners for 2008

None of the hobbyists or instructors that work on administering the KHA program gets paid, but without their generous donation of time, it would not be possible to keep the KHA program running!

Starting this year, we will honor those that:

- Have donated more than 100 volunteer hours in the preceding year
- Are still with the program

We have created a special pin to recognize this service, and it's called the KHA Service Award. You may win an award for every year that the qualifications are met!

**The KHA Service Award winners for 2008 were:  
(Listed Alphabetically)**

**Mary Bailey** - KHA Forum Administrator

**Burt Ballou** - Instructor
