

KHAs with Advanced Certifications

March 2009

Our highest level of advanced Certification, Phish Geek (or PhG) requires over 300 hours of Continuing Education credit, and represents more than 3 years of experience. A PhG Certification is achieved in areas of specialty, and KHAs may earn more than one of these.

PhG

Ken Austin – PhG Physiology

Karen Pattist – PhG Physiology

Kay Rice – PhG Physiology

The Master Certification requires over 150 hours of Continuing Education and over 2 years of experience.

Master

Marlene Hyden

Terri Janas
